Poštovana prof. Vuković Stamatović,

Obavještavamo Vas da Nacionalna Erasmus+ kancelarija u Crnoj Gori organizuje nacionalni Erasmus+ informativni dan 18.-og novembra 2019. godine, s početkom u 09:30h, u Rektoratu Univerziteta Crne Gore. U okviru informativnog dana biće predstavljen novi konkurs Erasmus+ programa i rokovi za podnošenje prijava za ključne akcije u oblasti visokog obrazovanja. Info dan će pružiti priliku da se učesnici upoznaju sa novinama u novom pozivu za prijavu projekata i mogućnostima učešća Vaše institucije u različitim akcijama programa Erasmus+.

Erasmus+ informativni dan će takođe biti prilika da se javnost informiše o rezultatima koje je Crna Gora ostvarila učešćem u ključnim akcijama programa: Izgradnji kapaciteta u oblasti visokog obrazovanja, Međunarodnoj kreditnoj mobilnosti, kao i o rezultatima koje je ostvarila učešćem u aktivnostima Jean Monnet i Izgradnja kapaciteta u oblasti mladih.

U tom smislu je planirano i predstavljanje novoizabranih projekata izgradnje kapaciteta u visokom obrazovanju, kako bi se akademska zajednica ali i šira javnost upoznala sa ciljevima projekata na samom početku njihove implementacije.

S obzirom da ste Vi koordinator projekta "Reforming Foreign Languages in Academia in Montenegro" na Univerzitetu Crne Gore, pozivamo Vas da uzmete učešće na pomenutom događaju i predstavite projekat kojim koordinirate.

Nadamo se da ćete biti u mogućnosti da se odazovete pozivu ili da imenujete člana projektnog tima koji bi predstavio pojeekat na info danu.

Molimo da potvrdite učešće na mejl [erasmusmontenegro@ucg.ac.me](mailto:erasmusmontenegro@ucg.ac.me) do srijede, 13.-og novembra 2019. godine.

U prilogu se nalazi agenda Erasmus+ info dana.

S poštovanjem,

Nacionalna Erasmus+ kancelarija u Crnoj Gori

Agenda - Erasmus+ Info dan ...

## REFLAME

### Reforming Foreign Languages in Academia in Montenegro

- **TASKS:**
- **Update foreign language syllabi**, to improve their quality, which should ultimately reflect in better and more market-customised foreign language knowledge of the students.
- **Procure most recent textbooks, teaching and learning materials** for all available fields of language for specific purposes (LSP), so that the FL teachers can use the best and up-to-date resources.
- **Write teaching materials for foreign language for specific purposes** (a selection of specific purposes, for the fields without any adequate textbooks published by reputable international publishers and for which there is a high demand in the national labour market), so as to develop the needed foreign language for specific purposes knowledge for the students of such fields.
